

# Downloading your invites and thank you cards

Thank you for taking part in The Great British Garden Party. We have created a number of downloadable templates for you to use. Some of them are ready to use but some are editable so you can add names or donation amounts.

## **To successfully edit and download a template:-**

1. Click on the template you wish to use.
2. Hover over the design and any sections that are editable will become highlighted.
3. Click on the highlighted section and then type in what you want to say
4. Then click on the red disk icon in the top right hand corner (the icon should then turn black and white)
5. Then click on download in the top right hand corner.
6. To print out your design select PDF file and Print – I'm going to print it, for digital use select PNG image or JPEG image and Digital – I'm going to use it on a screen.
7. Click – Let's make it happen and your design will download
