Eryngium 'Tripartite'
Eryngium 'Oxford Blue'
Eryngium 'Blue Star'

Eupatorium 'Gateway'
Eupatorium 'Purple Bush'
Eupatorium riesenschirm

Helenium 'Helena Red'

Knautia Macedonica
Knautia 'Mars Midget'

Limonium latifolium

Nepeta 'Six Hills Giant' (catmint)
Nepeta 'Walkers Low'
Nepeta x faassenii

Sedum 'Brilliant'
Sedum 'Matrons'
Sedum 'Carmen'
Sedum 'Purple Emperor'

Veronica 'Shirley Blue'
Veronica 'Pink Damask'
Veronica 'Royal Pink'

Veronicastrum 'Adoration'
Veronicastrum 'Erica'
Veronicastrum 'Diane'
Veronicastrum 'Fascination'

These are main plants to the plan however the team will be adding pockets of what they call dot plants to infill gaps for this season while some of the newly planted groups are in there infancy. This whole process will take a good season to adjust but it will definitely bring rewards in the future.
