

Donate in support of some of the UK's best loved nursing and health charities

The National Garden Scheme has been raising funds for nursing and health charities since 1927. Originally set up to raise funds for district nurses, we are now the most significant charitable funder of nursing in the UK. Our beneficiaries include Marie Curie, Macmillan Cancer Support, Hospice UK, Carers Trust, Parkinson's UK and The Queen's Nursing Institute.

Your donation today - large or small, will help change lives.

Thank you.
