Join the Great British Garden Party with a garden get-together this summer

It doesn't matter if your garden is big or small and your fundraiser does not need to be complicated or grand. You can simply invite a few friends for a slice of cake and a cup of tea, ask them to make a donation and help make a difference.

We'll send you a free party pack when you sign up with invitations, fundraising tips, mouth-watering recipes, inspirational ideas and a special gift* from partner Talking Tables to help you create your special event – whether you're hosting at home, in a public park or at work.

Every pound you raise will make a difference to the vital nursing and health charities supported by the National Garden Scheme; charities that so many of us, our family and friends often rely on in times of need.
