The National Garden Scheme has been raising funds for nursing and health charities since 1927. Originally set up to raise funds for district nurses, we are now the most significant charitable funder of nursing in the UK. Our beneficiaries include Marie Curie, Macmillan Cancer Support, Hospice UK, Carers Trust, Parkinson's UK, The Queen's Nursing Institute, Maggie's and Horatio's Garden.

Your donation today large or small, will help change lives. Thank you.
